## PRESIDENT'S COMMISSION ON WHITE HOUSE FELLOWSHIPS THE WHITE HOUSE

August 3, 1983

Dear Mr. Casey:

I want to express my thanks to you for your interest in and support of the White House Fellowships program. You and your staff were most cooperative during the placement process for the new class and your help is appreciated.

Unfortunately, it was not possible to accommodate your preference concerning the placement of a new Fellow. Only thirteen Fellows were selected for the year beginning September 1 and there were more than 40 placement possibilities, so most departments and agencies that were interested in having a Fellow did not end up with one.

Next year we will make every effort to accommodate those departments and agencies that did not get Fellows this year and I hope you will choose to interview the new Fellows at that time.

Again, many thanks for your interest and support.

Sincerely,

James C. Roberts
